companies

“The flexibility it allows, the simplicity of the entire process, and most importantly, the level of security and the fact that it’s completely in line with European laws made it a no-brainer.”

Nevena Sofranic, founder of Recrooit

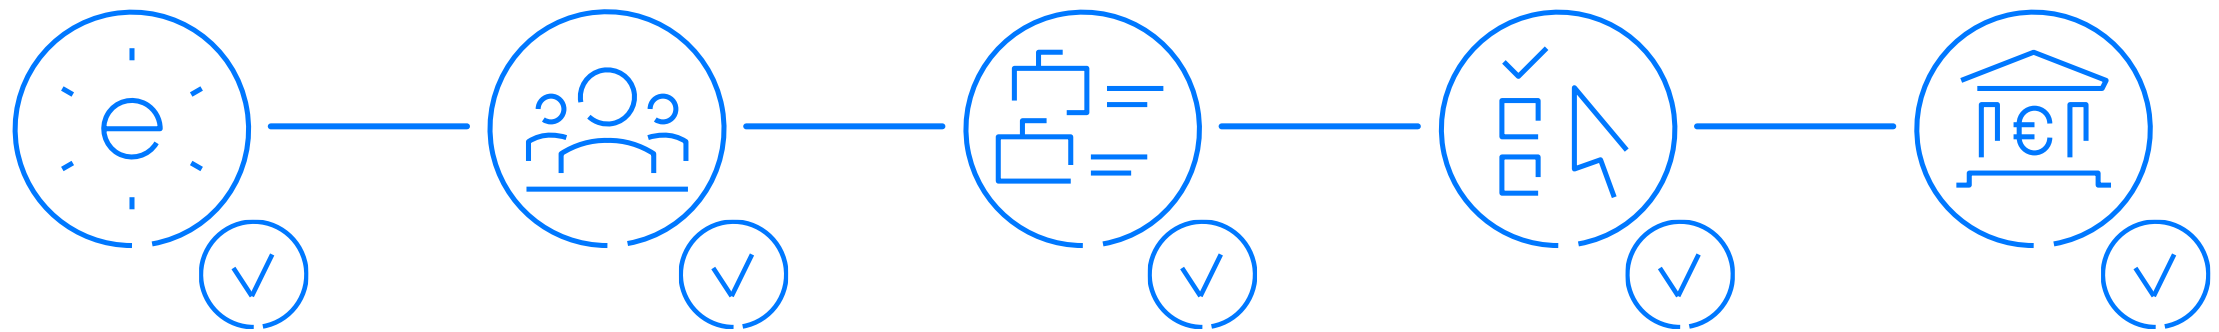

“When I found e-Residency I couldn’t believe it was possible. From the time of signing up, I was impressed with how the ecosystem worked, how easy the e-services worked, and how easy it was to start a company.”

Alagan Mahalingam, founder of Rootcode Labs

Company registration in a nutshell

- + Apply for e-Residency and collect your e-Residency digital ID card
- + Choose a business service provider
- + Log in to the Company Registration Portal and register your company

- + Apply for a license or register an activity at the Register of Economic Activities
- + Apply for a business banking account

Contact person & legal address

- + The only mandatory local service if the management board is located in a foreign country
- + Only a licensed representative may be designated a contact person
- + The address of the contact person shall be considered the address of the company

A woman with blonde hair tied back, wearing a white sweatshirt and blue jeans, is sitting on a rooftop. She is looking out over a city with red-tiled roofs and historic buildings under a clear sky. The image is partially framed by a blue dashed line.

NB! Contact person is NOT a local director.
